

Total Eclipse of the Heart - Bonnie Tyler

(Turn around)

Every now and then I get a little bit lonely
And you never coming 'round

(Turn around)

Every now and then I get a little bit tired
Of listening to the sound of my tears

(Turn around)

Every now and then I get a little bit nervous
That the best of all the years have gone by

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Our love is like a shadow on me all of the time **(all of the time)**

I don't know what to do, and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time, I was falling in love
Now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time, there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

(Pause)

Turn around, bright eyes
Every now and then, I fall apart
Turn around, bright eyes
Every now and then I fall apart

And I need you now tonight **(and I need you)**
And I need you more than ever
And if you only hold me tight **(if you'll only)**
We'll be holding on forever
And we'll only be making it right **(and we'll never)**
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time **(all of the time)**
I don't know what to do, I'm always in the dark
We're living in a powder keg, and giving off sparks

I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time, I was falling in love
Now I'm only falling apart
Nothing I can say
A total eclipse of the heart (3x)

Turn around bright eyes
